

S.E.A.L Program

Summer Enrichment Adventures in Learning

Join USOD for a summer of learning fun! This opportunity will enrich and expand your child's learning experiences. USOD's summer enrichment program will provide the following benefits:

- addresses two areas of greatest learning loss in student's with Down syndrome during the summer months, math and reading;
- provides theme based activities that will focus on reading, math, fine motor skills, movement, speech, music, healthy snack creations and more;
- the program is developed to ensure a quality experience for each child; instruction is individualized to meet each child's specific needs;
- helps build confidence and social skills through positive interactions with peers, the teacher, and quality volunteers.
