About Down Syndrome Association of Northeast Ohio (DSANEO)

In the early 1980's, a handful of parents whose children had Down syndrome began to meet informally for socialization and support. **Forty years later**, with the help of many supporters, their vision and hard work has taken DSANEO from a grassroots parent movement to a staffed nonprofit organization joining over **1,000 families** throughout **16 Northeast Ohio counties**. Our mission is to provide support, education, and advocacy for people with Down syndrome, their families, and communities. DSANEO envisions a community where people with Down syndrome have limitless opportunities and the ability to pursue their dreams.
