About Down Syndrome Association of Northeast Ohio (DSANEO)

In the early 1980’s, a handful of parents whose children had Down syndrome began to meet informally for socialization and support. Forty years later, with the help of many supporters, their vision and hard work has taken DSANEO from a grassroots parent movement to a staffed nonprofit organization joining over 1,000 families throughout 16 Northeast Ohio counties. Our mission is to provide support, education, and advocacy for people with Down syndrome, their families, and communities. DSANEO envisions a community where people with Down syndrome have limitless opportunities and the ability to pursue their dreams.
