

Research Participation Opportunity

for youth with intellectual disability

We are seeking **children/adolescents/young adults with intellectual disability** who are willing to participate in the research and complete a newly developed short rating form about behavioral health and give their feedback about the rating form.

Who can participate?

Children/Adolescents/Young Adults:

- Who are **12-21 years old**.
- Who have an **intellectual disability with/without autism spectrum disorder**.
- Who can communicate verbally in sentences.

What will you do?

- Complete the NCBRF-2 Self-Report Form (about 25-item rating form).
- Provide feedback about the NCBRF-2 Self-Report Form to the researcher in a one-to-one meeting.

How long will this take?

- The meeting will take between one hour and one and a half hour (1-1.5 hours).

You will earn a \$25 gift card for your participation.
